

Major Partnership

Benefits of Being a Major Partner

As the only independent industry monthly, *Medical Forum* magazine offers unequalled penetration of the WA medical market.

The documented high readership comes from the publication's established reputation, full WA focus, independent reporting, and support from key medical groups and individuals.

Major Partnership offers these unique benefits:

- Strong branding – logo and listing on the Front Cover and Contents Page as a Major Sponsor.
- One full page in a 'top' position – ahead of the rest, within the first 11 pages, right hand side – for copy of your choosing.
- Assistance with artwork, gratis.
- Listing on our regular E-Poll broadcast, often to more than 5000 GPs and Specialists.
- 'Open door' policy on editorial (at the Editor's discretion)
- Free assistance in compiling your marketing message using our extensive experience in dealing with the medical profession over many years.

Your investment for this partnership is \$3,413 per edition (ex GST, bookings for at least three editions please).
